BALAGARH, HOOGHLY-712501

## NOTICE-45/2020-21 dated 13.9.2020

A complete e-learning platform of all courses and all papers of all odd/even semesters of this college has been developed by Max -Software, Burdwan with a separate URL **bbkm.e-learner.in**. In fact, this platform will take some time to make it functionable before you. In this software several courses will be created by the respective departmental teachers with taking their students. The college undertakes it for providing a Unified online platform for your study and also to assess your progress. Hope, it is user-friendly software that will fill our objective to provide best services to you. It can also be expected that you need some time to accustomed in this platform. A YouTube for Students **how to use "e-learning"** platform is now uploaded to our college website" **www.bbkm.in**". Within few days we the teachers and students can meet each other through this unified link. **You are requested to use this YouTube for your practices in advance and a demonstration session is also to held for you on 17.9.2020 on and after 2PM.** You are requested to use your user- id and password to enter into the e-learning platform. Hope, the honours classes will be held on and from 18.9.2020 and General classes will be held on and from 21.9.2020 from this platform. The facility of this platform that you can do a class number of times as you wish to do.

Sd/- Principal

Dear Students,

Please watch this You tube link as much as possible
